

SUFFOLK WATER RECYCLING, TRANSFER AND STORAGE PROJECT

Essex & Suffolk Water Winter 2025 Consultation Feedback Form

We are seeking your views on our proposals for the Suffolk Water Recycling, Transfer and Storage Project. Knowing what matters to you matters to us. Your feedback is important and will help shape our proposals as they are developed further.

1. The Project

Question 1a: Overall, what do you think about the Suffolk Water Recycling, Transfer and Storage Project as a response to the water supply shortfall in the East of England?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 1b: Please tell us your reasoning for your answer.

2. Proposed Advanced Water Recycling Plant

In this section we're seeking feedback on the potential sites for the new Advanced Water Recycling Plant. Four land parcels (AWRP 3.1, AWRP 3.2, AWRP 3.3, and AWRP 5.5) are being consulted on at this stage, reduced from an original list of 20 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria. More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 18 to 19 and page 26, and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 32 to 36, gives more information on the four land parcels we are seeking your views on here.

Question 2a: What do you think about the process we went through to arrive at the shortlisted proposed sites for the new Advanced Water Recycling Plant?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 2b: Please tell us your reasoning for your answer.

Question 2c: Do you support our proposal to build a new Advanced Water Recycling Plant on site **AWRP 3.1**? Please see page 33 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 2d: Do you support our proposal to build a new Advanced Water Recycling Plant on site **AWRP 3.2**? Please see page 34 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 2e: Do you support our proposal to build a new Advanced Water Recycling Plant on site **AWRP 3.3**? Please see page 35 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 2f: Do you support our proposal to build a new Advanced Water Recycling Plant on site **AWRP 5.5**? Please see page 36 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 2g: Please tell us the reasoning behind your responses to **Q2c - Q2f**. Please use the appropriate site reference in your response.

3. Central Service Reservoir (CSR)

In this section we're seeking feedback on the potential sites for the new Central Service Reservoir. 11 land parcels (CSR1 - CSR8 and CSR11 - CSR13) are being consulted on at this stage, reduced from an original list of 14 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria. More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 20 to 21 and page 26, and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 38 to 49, gives more information on the 11 land parcels we are seeking your views on here.

Question 3a: What do you think about the process we went through to arrive at the shortlisted proposed sites for the new Central Service Reservoir?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3b: Please tell us your reasoning for your answer.

Question 3c: Do you support our proposal to build a new Central Service Reservoir on site **CSR 1**?

Please see page 39 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3d: Do you support our proposal to build a new Central Service Reservoir on site **CSR 2**?

Please see page 40 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3e: Do you support our proposal to build a new Central Service Reservoir on site **CSR 3**?

Please see page 41 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3f: Do you support our proposal to build a new Central Service Reservoir on site **CSR 4**?

Please see page 42 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3g: Do you support our proposal to build a new Central Service Reservoir on site **CSR 5**?

Please see page 43 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3h: Do you support our proposal to build a new Central Service Reservoir on site **CSR 6**?

Please see page 44 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3i: Do you support our proposal to build a new Central Service Reservoir on site **CSR 7**?

Please see page 45 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3j: Do you support our proposal to build a new Central Service Reservoir on site **CSR 8**?

Please see page 46 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3k: Do you support our proposal to build a new Central Service Reservoir on site **CSR 11**?

Please see page 47 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3l: Do you support our proposal to build a new Central Service Reservoir on site **CSR 12**?

Please see page 48 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3m: Do you support our proposal to build a new Central Service Reservoir on site CSR 13? Please see page 49 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 3n: Please tell us the reasoning behind your responses to **Q3c - Q3m**. Please use the appropriate site reference in your response.

4. Western Service Reservoir (WSR)

In this section we're seeking feedback on the potential sites for the new Western Service Reservoir. 17 land parcels (WSR1 - WSR4, WSR6 - WSR14, and WSR16 - WSR19) are being consulted on at this stage, reduced from an original list of 19 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria. More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 20 to 21 and page 27, and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 50 to 67, gives more information on the 17 land parcels we are seeking your views on here.

Question 4a: What do you think about the process we went through to arrive at the shortlisted proposed sites for the new Western Service Reservoir?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4b: Please tell us your reasoning for your answer.

Question 4c: Do you support our proposal to build a new Western Service Reservoir on site **WSR 1?**
Please see page 51 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4d: Do you support our proposal to build a new Western Service Reservoir on site **WSR 2?**
Please see page 52 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4e: Do you support our proposal to build a new Western Service Reservoir on site **WSR 3?**
Please see page 53 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4f: Do you support our proposal to build a new Western Service Reservoir on site **WSR 4?**
Please see page 54 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4g: Do you support our proposal to build a new Western Service Reservoir on site **WSR 6?**
Please see page 55 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4h: Do you support our proposal to build a new Western Service Reservoir on site **WSR 7?**
Please see page 56 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4i: Do you support our proposal to build a new Western Service Reservoir on site **WSR 8?**
Please see page 57 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4j: Do you support our proposal to build a new Western Service Reservoir on site **WSR 9?**
Please see page 58 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4k: Do you support our proposal to build a new Western Service Reservoir on site **WSR 10?**
Please see page 59 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4l: Do you support our proposal to build a new Western Service Reservoir on site **WSR 11?**
Please see page 60 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4m: Do you support our proposal to build a new Western Service Reservoir on site **WSR 12**?
Please see page 61 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4n: Do you support our proposal to build a new Western Service Reservoir on site **WSR 13**?
Please see page 62 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4o: Do you support our proposal to build a new Western Service Reservoir on site **WSR 14**?
Please see page 63 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4p: Do you support our proposal to build a new Western Service Reservoir on site **WSR 16**?
Please see page 64 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4q: Do you support our proposal to build a new Western Service Reservoir on site **WSR 17**?
Please see page 65 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4r: Do you support our proposal to build a new Western Service Reservoir on site **WSR 18**?
Please see page 66 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4s: Do you support our proposal to build a new Western Service Reservoir on site **WSR 19**?
Please see page 67 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 4t: Please tell us the reasoning behind your responses to **Q4c – Q4s**. Please use the appropriate site reference in your response.

5. Advanced Water Recycling Plant to Waveney (A-W)

In this section we're seeking feedback on the pipeline corridors from the proposed Advanced Water Recycling Plant to the River Waveney (A-W) route. Nine pipeline corridor options are being consulted on at this stage. These nine pipeline corridors are made up of 30 pipeline segments, reduced from an original list of 45 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria. More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 22 to 25 and page 28 to 29, and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 68 to 77, gives more information on the nine pipeline corridors we are seeking your views on here.

Question 5a: What do you think about the process we went through to arrive at the pipeline corridor options from the Advanced Water Recycling Plant to the River Waveney (A-W)?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5b: Please tell us your reasoning for your answer.

Question 5c: Do you support our proposal to build the new pipeline corridor **A-W1**? Please see page 69 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5d: Do you support our proposal to build the new alternative pipeline corridor **A-W1A**? Please see page 70 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5e: Do you support our proposal to build the new pipeline corridor **A-W2**? Please see page 71 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5f: Do you support our proposal to build the new pipeline corridor **A-W3**? Please see page 72 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5g: Do you support our proposal to build the new alternative pipeline corridor **A-W3A**? Please see page 73 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5h: Do you support our proposal to build the new alternative pipeline corridor **A-W3B**? Please see page 74 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5i: Do you support our proposal to build the new pipeline corridor **A-W4**? Please see page 75 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5j: Do you support our proposal to build the new alternative pipeline corridor **A-W4A**? Please see page 76 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5k: Do you support our proposal to build the new alternative pipeline corridor **A-W4B**? Please see page 77 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 5l: Please tell us the reasoning behind your responses to **Q5c – Q5k**. Please use the appropriate pipeline corridor reference in your response.

6. Barsham Water Treatment Works to Central Service Reservoir (B-C)

In this section we're seeking feedback on the pipeline corridors from the proposed Barsham Water Treatment Works to Central Service Reservoir (B-C) route. Seven pipeline corridor options are being consulted on at this stage. These seven pipeline corridors are made up of 31 pipeline segments, reduced from an original list of 33 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria.

More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 22 to 25 and page 28 to 29, and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 78 to 85, gives more information on the seven pipeline corridors we are seeking your views on here.

Question 6a: What do you think about the process we went through to arrive at the pipeline corridor options for Barsham Water Treatment Works to Central Service Reservoir (B-C)?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6b: Please tell us your reasoning for your answer.

Question 6c: Do you support our proposal to build the new pipeline corridor **B-C5**? Please see page 79 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6d: Do you support our proposal to build the new alternative pipeline corridor **B-C5A**? Please see page 80 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6e: Do you support our proposal to build the new alternative pipeline corridor **B-C5B**? Please see page 81 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6f: Do you support our proposal to build the new pipeline corridor **B-C6**? Please see page 82 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6g: Do you support our proposal to build the new alternative pipeline corridor **B-C6A**? Please see page 83 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6h: Do you support our proposal to build the new alternative pipeline corridor **B-C6B**? Please see page 84 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6i: Do you support our proposal to build the new alternative pipeline corridor **B-C6C**? Please see page 85 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 6j: Please tell us the reasoning behind your responses to **Q6c – Q6i**. Please use the appropriate pipeline corridor reference in your response.

7. Central Service Reservoir to Western Service Reservoir (C-W)

In this section we're seeking feedback on the pipeline corridor options from the proposed Central Service Reservoir to Western Service Reservoir (C-W) route. Seven pipeline corridor options are being consulted on at this stage. These nine pipeline corridors are made up of 23 pipeline segments, reduced from an original list of 32 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria. More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 22 to 25 and page 28 to 29, and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 86 to 93, gives more information on the seven pipeline corridor options we are seeking your views on here.

Question 7a: What do you think about the process we went through to arrive at the pipeline corridor options for Central Service Reservoir to Western Service Reservoir (C-W)?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7b: Please tell us your reasoning for your answer.

Question 7c: Do you support our proposal to build the new pipeline corridor **C-W7**? Please see page 87 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7d: : Do you support our proposal to build the new alternative pipeline corridor **C-W7A**? Please see page 88 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7e: Do you support our proposal to build the new alternative pipeline corridor **C-W7B**? Please see page 89 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7f: Do you support our proposal to build the new alternative pipeline corridor **C-W7C**? Please see page 90 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7g: Do you support our proposal to build the new alternative pipeline corridor **C-W7D**? Please see page 91 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7h: Do you support our proposal to build the new pipeline corridor **C-W8**? Please see page 92 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7i: Do you support our proposal to build the new alternative pipeline corridor **C-W8A**? Please see page 93 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 7j: Please tell us the reasoning behind your responses to **Q7c – Q7i**. Please use the appropriate corridor pipeline reference in your response.

8. Central Service Reservoir to Saxmundham Water Tower (C-S)

In this section we're seeking feedback on the pipeline corridors from the proposed Central Service Reservoir to Saxmundham water tower (C-S) route. Four pipeline corridor options are being consulted on at this stage. These four pipeline corridors are made up of 59 pipeline segments, reduced from an original list of 63 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria. More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 22 to 25 and page 28 to 29, and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 94 to 99, gives more information on the four pipeline corridor options we are seeking your views on here.

Question 8a: What do you think about the process we went through to arrive at the pipeline corridor options for Central Service Reservoir to Saxmundham water tower (C-S)?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 8b: Please tell us your reasoning for your answer.

Question 8c: Do you support our proposal to build the new pipeline corridor **C-S9**? Please see page 95 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 8d: Do you support our proposal to build the new pipeline corridor **C-S10**? Please see page 96 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 8e: Do you support our proposal to build the new alternative pipeline corridor **C-S10A**? Please see page 97 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 8f: Do you support our proposal to build the new alternative pipeline corridor **C-S10B**? Please see page 98 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 8g: Please tell us the reasoning behind your responses to **Q8c – Q8f**. Please use the appropriate pipeline corridor in your response.

9. Saxmundham Water Tower to Sizewell (S-S)

In this section we're seeking feedback on the pipeline corridors from the proposed Saxmundham Water Tower to Sizewell (S-S) route. Six pipeline corridor options are being consulted on at this stage. These six pipeline corridors are made up of 31 pipeline segments, reduced from an original list of 37 by the multi-criteria methodology, applied during the Options Appraisal Process, which included environmental, planning, land and engineering assessment criteria. More information on this process can be found in Section 4 (Options Appraisal Process) of the Consultation Brochure, pages 22 to 25 and page 28 to 29 and in the Scheme Development Summary (SDS) document.

Section 5 (Consultation Options) of the Consultation Brochure, pages 100 to 106, gives more information on the six pipeline corridor options we are seeking your views on here.

Question 9a: What do you think about the process we went through to arrive at the pipeline corridor options for Saxmundham Water Tower to Sizewell (S-S)?

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 9b: Please tell us your reasoning for your answer.

Question 9c: Do you support our proposal to build the new pipeline corridor **S-S11**? Please see page 101 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 9d: Do you support our proposal to build the new alternative pipeline corridor **S-S11A**? Please see page 102 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 9e: : Do you support our proposal to build the new pipeline corridor **S-S12**? Please see page 103 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 9f: Do you support our proposal to build the new alternative pipeline corridor **S-S12A**? Please see page 104 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 9g: Do you support our proposal to build the new alternative pipeline corridor **S-S12B**? Please see page 105 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 9h: Do you support our proposal to build the new alternative pipeline corridor **S-S12C**? Please see page 106 of the Consultation Brochure for information.

☐ Strongly support ☐ Support ☐ Neutral ☐ Do not support ☐ Strongly do not support

Question 9i: Please tell us the reasoning behind your responses to **Q9c – Q9h**. Please use the appropriate pipeline corridor reference in your response.

10. Construction and the Environment

In this section, we would like to hear your thoughts on how the Project could be constructed responsibly and in a way that minimises impacts on local communities and the surrounding area. Although we are still developing the details, your views at this stage will help shape our approach.

Question 10a: What considerations or suggestions do you have for how we approach construction and environmental management?

11. Benefits and Legacy

While we are in the process of developing detailed proposals for potential benefits or legacy initiatives associated with the Project, we are keen to understand what matters most to communities and stakeholders in this area.

Question 11a: What types of benefits or lasting legacy would you like to see delivered as part of this Project?

12. Anything else?

Question 12a: Is there anything further you'd like to share with us in relation to the Suffolk Water Recycling, Transfer and Storage Project?

13. Our Consultation

Question 13a: Please let us know your views on the quality of our consultation materials, the accessibility of our online information, and consultation events.

Area of Consultation	Very Effective	Effective	Average	Poor	Very Poor	Not Applicable
i) Was the information presented clearly?						
ii) Was the website easy to navigate?						
iii) Were the public information events of good quality?						
iv) Were the public information events suitably located?						
v) Was the consultation promoted well?						
vi) Was the consultation promoted to the right people?						

About You

We will only use these details in accordance with our Data Privacy Statement, as set out later in this form, which may include contacting you in the future about the Project. Tell us a little bit about you:

First Name:

Last Name:

Address:

***Postcode:**

Email Address:

Phone number:

*Sharing your postcode with us will help us to understand where in the community concerns and issues are being raised. We will only use your postcode data anonymously for the purpose of further understanding your feedback.

Are you happy to be contacted in future?

☐ Yes ☐ No

Who are you responding as? (You may tick more than one box)

☐ Local resident ☐ Local representative (e.g. parish councillor)

☐ Potentially affected landowner or occupier – please insert your Party ID number if known

☐ Local business owner or supplier/contractor ☐ Regular visitor

☐ Local interest group member (please specify in the text box below)

☐ Statutory organisation (please specify in the text box below)

☐ Other (please specify in the text box below)

Which gender do you identify as?

☐ Male ☐ Female ☐ Prefer not to say

☐ Other. Please state if you wish

What is your age?

☐ 16 to 24 years old ☐ 25 to 34 years old ☐ 35 to 44 years old ☐ 45 to 54 years old

☐ 55 to 64 years old ☐ 65 to 74 years old ☐ 75 years old or over ☐ Prefer not to say

Data Privacy Statement

Essex & Suffolk Water is collecting your personal data to help shape and inform the Project. Your data will be used to contact you in the future in relation to developments in this project. This may include land, survey, and consultations of this or a similar nature. However, you may be contacted by Essex & Suffolk Water as an existing customer where you have already given Essex & Suffolk Water permission to do so. The answers to the questions on this Feedback Form are voluntary, as is any information you provide about yourself. By responding to this consultation, you consent to Essex and Suffolk Water using the information you have provided for the above purposes. You have the right to withdraw your consent at any time. To do this, please email swsp@nwl.co.uk.

For more information about how Essex & Suffolk Water uses personal data generally, who it shares it with, and what your rights in relation to personal data are, please see Essex & Suffolk Water's **Privacy Notice** on its website at <https://www.eswater.co.uk/privacy/privacy-basics/>. Your comments will be analysed by Essex & Suffolk Water and any of its appointed agents. Copies of your responses may be made available in due course to the Secretary of State, the Planning Inspectorate (PINS) and other relevant statutory authorities so that your responses can be considered as part of the development of the Suffolk Water Recycling, Transfer and Storage Project. Your personal details will not be placed on public record and will be held securely by Essex & Suffolk Water and its appointed agents in accordance with the data protection law and will be used solely in connection with the consenting and regulatory processes, and statistical and analytical purposes on an aggregated basis, or in accordance with any legal requirements or process, will not be passed to third parties. The PINS privacy statement, which advises how data will be used and held by PINS, is available to view here: <https://www.gov.uk/government/publications/planning-inspectorate-privacy-notice/customer-privacy-notice>.

**THANK YOU
FOR YOUR FEEDBACK**
